

FAS TRIGGER SCREENER

STEP 1	STEP 2		STEP 3		STEP 4		TRIGGER SCORE
<p>Below are common triggers for Fear, Anxiety and Stress (FAS) in dogs.</p> <p>Check the ones that apply for your dog.</p>	<p>What level of FAS does your dog experience for his triggers?</p> <p>Use signs listed on the previous page to assign score.</p> <p>1 = MILD 3 = MODERATE 5 = SEVERE</p>		<p>What is the typical length of time signs are exhibited?</p> <p>1 = Anxious only during trigger 2 = Remains anxious more than five minutes after the trigger</p>		<p>How often is your dog exposed to each trigger?</p> <p>1 = rarely exposed 2 = exposed several times per month 3 = exposed daily</p>		<p>Calculate the score for each trigger by multiplying across: Step 2 X Step 3 X Step 4</p>
<p><input checked="" type="checkbox"/> EXAMPLE Thunderstorms, fireworks or sharp noises</p>	3	X	2	X	2	=	12
<input type="checkbox"/> Thunderstorms, fireworks or sharp noises		X		X		=	
<input type="checkbox"/> Confinement in crate		X		X		=	
<input type="checkbox"/> Left alone in home		X		X		=	
<input type="checkbox"/> Car rides		X		X		=	
<input type="checkbox"/> New objects or environments		X		X		=	
<input type="checkbox"/> Unfamiliar person enters the home		X		X		=	
<input type="checkbox"/> Greeting unfamiliar person outside the home		X		X		=	
<input type="checkbox"/> Greeting unfamiliar dog outside the home		X		X		=	
<input type="checkbox"/> Approached by child		X		X		=	
<input type="checkbox"/> Approached by another household dog		X		X		=	
<input type="checkbox"/> Handling by family member (toweling off, restraining, nail trim, etc.)		X		X		=	
<input type="checkbox"/> Handling by non-family member (groomer or vet)		X		X		=	
<p>Does your dog have any of the behavior signs listed on previous page that are not associated with any of the above triggers?</p>							<p>If Yes = +10 If No = +0</p>
<p>TOTAL SCORE Add all scores in the final column to get your dog's overall Behavior FAS Score.</p>							

Please complete the form, then return it to your veterinarian for further discussion.
